OSARA-RFP-003-2026

Supply and installation of OSARA's Headquarter fit out work and Furniture.

Muscat
GOVERNORATE
SULTANATE OF OMAN

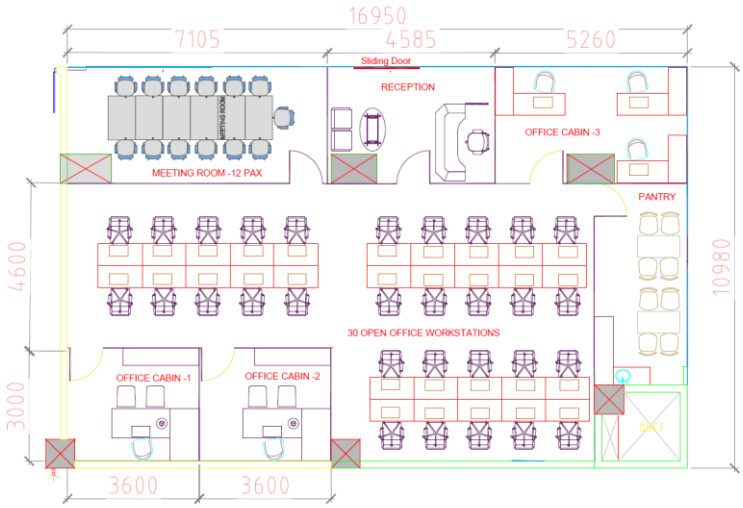
1st April 2026

Introduction

Natural Shrimp Aquaculture LLC and Oriental Shrimp Aquaculture are subsidiaries of Fisheries Development Oman (FDO) inviting you to share offers for the **Supply and installation of Osara's Headquarter fit out work and Furniture located in Landmark Building Ground floor.**

Scope Of Work

The contractor shall undertake the complete fit-out and furnishing of an office space with an approximate area of 180 square meters, including supply, installation, testing, and commissioning of all works required for a fully operational office and as per the below layout.



The scope includes, but is not limited to:

- Site survey and verification of existing conditions.
- Preparation of shop drawings and material submittals.
- Civil, architectural, and MEP works.
- Supply and installation of office furniture.
- Testing, commissioning, and handover.
- Network is excluded from the scope.

Partition Works:

- Supply and installation of gypsum board partitions / glass partitions as per approved layout
- Acoustic insulation where required
- Painting and finishing of all partitions

Ceiling Works

- Supply and installation of suspended ceiling (gypsum / mineral fiber).
- Provision for lighting, diffusers, sprinklers, and access panels.

Flooring Works

- Supply and installation of flooring finishes (carpet tiles).
- Skirting and finishing accessories.

Painting Works

- Surface preparation, primer, and final paint coats for walls and ceilings

- Use of approved paint systems.

Doors

- Supply and installation of glass doors complete with ironmongery
- Door frames, locks, handles, and closers

Mechanical, Electrical, and Plumbing (MEP)

1- Electrical work
- Lighting fixtures (LED panels, downlights, decorative lights)
- Power outlets and data points
- Cable routing, conduits, and DB modifications
- Emergency lighting system

2- HVAC Works
- Modification / extension of existing HVAC system
- Supply and installation of ducts, diffusers, and grilles
- Testing and balancing

3- Fire & Safety
- Adjustment/relocation of fire alarm devices and sprinklers as required.
- Compliance with local authority regulations.

Furniture Supply and Installation

1- Workstations
- Modular workstations including desks, partitions, and cable management systems

2- Closed Offices
- Executive desks, side returns, credenzas, and storage units

3- Seating
- Ergonomic task chairs
- Visitor chairs
- Meeting room chairs

4- Meeting Rooms
- Meeting tables with integrated power/data access
- Presentation support

5- Storage Units
- Filing cabinets
- Pedestals
- Storage cupboards

6- Pantry / Breakout Area
- Base and wall cabinets
- 2 tables and 8 seats

Period of the Contract:

The contractor shall complete the work within maximum 2 months project duration from the date of site handover, including procurement, installation, and commissioning.
